Description:

SupportNet (ES-SN) The cornerstone offering of the portfolio features the core technical services required to support all your hardware products effectively. Services include telephone and Web support, firmware upgrades, and next-business-day parts delivery.

SupportNet Premium (ES-SN-P*) Building on the comprehensive support offered with SupportNet, SupportNet Premium provides faster response options for replacement parts: 2-hour or 4-hour around-the-clock delivery.

SupportNet Onsite (ES-SN-OS) If you don't have the in-house resources to match your maintenance requirements, SupportNet Onsite brings Enterasys-certified engineers to your site, in addition to providing the other services included in SupportNet.

SupportNet Onsite Premium (ES-SN-OSP*) Delivering the same comprehensive level of engineering expertise to your premises as SupportNet Onsite, SupportNet Onsite Premium offers faster response options: 2-hour or 4-hour around-the-clock delivery.

SupportNet Software Application Service (ES-SAS) Maintain the best performance from your Enterasys software applications such as NetSight™ Atlas management and Dragon™ intrusion detection. Includes all maintenance releases plus minor and major product upgrades, 24x7 technical phone support, and Web access to the latest technical information.

SupportNet Appliance (ES-SNA*) Combines the service features of hardware maintenance and software maintenance to deliver the comprehensive support required to maximize the value from your appliance products. Services include 7x24x365 telephone and Web support, firmware upgrades, software updates, software upgrades, signature updates where applicable and next-business-day parts delivery.

SupportNet Technical Support (ES-SN-TS) provides access to firmware upgrades and 24x7 remote technical assistance via the web or phone.

SupportNet ERATE Upgrade Service (ES-ERATE-UPG) provides advance replacement of a defective part for next business day delivery. This contracted service is restricted to ERATE customers and is available only on equipment that is also contracted for SupportNet Technical Support (ES-SN-TS) service.

SupportNet Repair Service (ES-SN-RTF) provides access to our web support tools and firmware updates and includes 24x7 phone support for diagnostic assistance. Shipment of replacement or repaired parts for contracted equipment is provided on an exchange basis following the return of the defective unit to Enterasys' designated repair depot.

Next Business Day Per Event Service (ES-NBD-RMA), provides non-contracted (per-event) advance replacement of a defective part for next business day delivery.

How To Order:

Find the product part number you wish to purchase maintenance for. Combine the SN Band with the level of service you are purchasing and combine the two to form a SupportNet Part Number. For example . . . the part number C2G124-48 has an SN Band of "S04." To purchase Onsite Response, Next Business Day, you would order ES-SN-OS-S04.
